## SAGE: Timeline for "Greening" the Trades DRAFT as of October 4, 2010

All timeframes are subject to change.

\*\* denotes a new apprenticeship program.

Italics indicate responsibilities of the local SAGE teams.

Please refer questions to Owen Smith, Outreach Coordinator, at 608-266-2491 or owen.smith@dwd.wisconsin.gov.

Trades Scheduled to begin in 2010	2010	2011	2012			
	Q4 C	11 Q2 Q3 Q	4 Q1 Q2 Q3 Q4			
Heat & Frost Apprenticeship Program						
NIA 3E updates are done; Train 3 instructors: NIA 3E new module*						
Register / place / train new Heat & Frost apprentices		15	30			
Register / train existing workers in apprenticeship program		40	40			
Train journeyworkers via training academies		20	60			
**Energy Auditor Apprenticeship Program	2010	2011	2012			
Modify New York curriculum* using modified DACUM						
Train 32 instructors; 6 Technical College sites			<del>1                                     </del>			
Register / place / train new Energy Auditor apprentices		25	25			
Register / train existing workers in apprenticeship program		25	25			
Train journeyworkers via targeted short term training academies			50			
Painter & Decorator Apprenticeship Program	2010	2011	2012			
Update Curriculum*: Green Bldg Construction module, Virtual Paint						
Register / place / train new Painter & Decorator apprentices	$\boldsymbol{\top}$	10	10			
Register / train existing workers in apprenticeship program		30	30			
Train journeyworkers via targeted short term training academies		100	80			
Sheet Metal Worker Apprenticeship Program	2010	2011	2012			
Train 32 instructors on new ITI components; 6 Technical College sites						
Register / place / train Sheet Metal Worker apprentices		50	50			
Register / train existing workers in apprenticeship program		200	200			
Train journeyworkers via targeted short term training academies		150	50			
Plumber Apprenticeship Program	2010	2011	2012			
Modified DACUM; Curriculum* Development (see modules Table 6)						
Train 30 instructors; 6 Technical College sites						
Register / place / train new Plumber apprentices		5	35			
Register / train existing workers in apprenticeship program		400	400			
Train journeyworkers via targeted short term training academies			80			
Roofer & Waterproofer Apprenticeship Program	2010	2011	2012			
Modified DACUM; Curriculum* Development (see modules Table 6)						
Train 30 instructors; 6 Technical College sites						
Register / place / train new Roofer & Waterproofer apprentices		5	25			
Register / train existing workers in apprenticeship program		100	100			
Train journeyworkers via targeted short term training academies		30	30			
**Weatherization Installer Apprenticeship Program	2010	2011	2012			
DACUM is completed; Develop curriculum* (all leveraged funding)						
Train 32 instructors; 6 Technical College sites						

Register / place / train new Weatherization Installer apprentices				2	20	200			
Register / train existing workers in apprenticeship program			50						
Train journeyworkers via training academies						500			
**Substation Electrician Apprenticeship Program	2010		2011			2012			
DACUM is completed; Develop curriculum*									
Train 2 instructors; 1 Technical College site									
Register / place / train new Substation Electrician apprentices									
**Wastewater Treatment Plant Operator Apprenticeship Program	2010		20	11	2012				
Do DACUM & industry cert analysis; Develop online curriculum*									
Train 5 instructors, 1 Technical College site, for online delivery									
Register / place / train new WTPO apprentices				50				50	
Register / train existing workers in apprenticeship program								20	
Train journeyworkers via targeted short term training academies								80	
Trades Scheduled to begin in 2011	2010		20	11			201	12	
	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4
Construction Electrician Apprenticeship Program									
Update Curriculum* to incorporate NECA Photo-voltaic module									
Register / place / train new Construction Electrician apprentices				5	0		50	)	
Register / train existing workers in apprenticeship program				5	00		500		
Train journeyworkers via targeted short term training academies				10	00	150			
Electric Line Worker Apprenticeship Program	2010		20	11			20	12	
Expand to new site; Update curriculum*: load/transmission module									
Train 3 instructors; 3 Technical College site									
Register / place / train new Electric Metering Technician apprentices				2	.0		20	)	
Electric Metering Technician Apprenticeship Program	2010		20	11			201	12	
Update curriculum* to incorporate new board peripherals & circuitry									
Train 2 instructors; 1 Technical College site									
Register / place / train new Electric Metering Technician apprentices					8		18	3	
Steamfitter Apprenticeship Program	2010		20	11			20	12	
Modified DACUM; Curriculum* Development									
Train 30 instructors; 6 Technical College sites									
Register / place / train new Steamfitter apprentices					25		7		
Register / train existing workers in apprenticeship program					225	225			
Train journeyworkers via targeted short term training academies							17	5	
Ironworker Apprenticeship Program	2010		20	11			201	12	
Update Curriculum* to incorporate Wind Turbine erection module									
Train 4 instructors, 2 Technical College sites									
Register / place / train new Ironworker apprentices						50			
Register / train existing workers in apprenticeship program					180				
Train journeyworkers via targeted short term training academies					15	150
